

iSIM2026

Manchester | 12-13 April 2026

International Symposium on Integrated Magnetics

A satellite event to INTERMAG 2026

BECOME A SPONSOR

Increase the visibility of your company or institution by supporting a symposium that brings together top researchers in the emerging field of integrated magnetics, devices, and microsystems for applications.

RESEARCH THEMES TO BE COVERED INCLUDE

- **Sensing** (XMR sensors, magnetoelectric sensors, GMI sensors)
- **Integrated circuits** (PwrSoP, PwrSiP, magnetic for packaging)
- **Disruptive technologies** (quantum sensing, flexible electronics, AI)

SPONSORSHIP OPPORTUNITIES

- **Platinum** \$3,000 and above
- **Gold** \$2,000
- **Silver** \$1,000

Sponsorship includes an ad in the program book, a display at the conference, display of logo and link on website.

2025 SPONSORS

BOSCH

**ANALOG
DEVICES**

**TEXAS
INSTRUMENTS**
